

## Conserving Carolinian Reptiles Reptile Sightings Wanted

Your observations will help us to better understand reptile distributions and population trends, and to develop effective conservation strategies. For more information about the Conserving Carolinian Reptiles Project, or to submit sightings online, please visit [www.longpointlandtrust.ca](http://www.longpointlandtrust.ca).

Name of species observed: \_\_\_\_\_

Number of individuals observed at site: \_\_\_\_\_

Date and time observed: \_\_\_\_\_

Location (e.g. 50 m north of 100 Smith Street, Any town, Ontario or Lot, Concession, County or Lat/Long or UTM coordinates):  
\_\_\_\_\_

Brief description of habitat and sighting (e.g. 3 adult Painted Turtle basking on fallen log in cattail marsh on west side of road):  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Your name: \_\_\_\_\_

Telephone number: \_\_\_\_\_

Email: \_\_\_\_\_

Address: \_\_\_\_\_  
\_\_\_\_\_

Other observers: \_\_\_\_\_

I have provided Long Point Basin Land Trust with photos to help confirm identifications.

If you have not provided a photo, please describe in detail the diagnostic identification features you observed and indicate your previous experience identifying this species:
